Modern Times Beer Tortuga

Sour - Berliner Weisse • 6.5% ABV • 10 IBU • San Diego, CA

This supremely crushable liquid marvel will marry the tart refreshment of a classic Berliner with the delectably juicy, citrusy radness of tangerines & soursops. If you're wondering what the hell a soursop is, it's that green, prickly fruit you've always eyed in the produce aisle but never worked up the nerve to throw in your cart. It tastes like a cross between a pineapple and a papaya, and if you've never tasted one, this delightful beverage will be a pretty fantastic introduction.

Moody Tongue Bourbon Barrel Aged Porter

Porter - Baltic • 9% ABV • Chicago, IL

This 9.0% Baltic Porter carries the aromatics of milk chocolate with the flavors of coconut and chocolate covered almonds, aged in Four Roses bourbon barrels for 12 months.

Mother Earth Sin-Tax Imperial Peanut Butter Stout

Stout - American Imperial • 8.1% ABV • 66 IBU • Vista, CA

Don't let it fool you. This is an imperial stout first and foremost. Deep dark malts lend espresso notes and British crystal malts contribute the perfect toffee and caramel flavor. Despite the dry finish there is a wonderful molasses character compliments of brown cane sugar, and just enough residual sugar to finish full-bodied but never cloying. The peanut butter is simply featured to augment what is already there...a fantastic example of a legendary beer style.

Odell Pyrus And Prunus

Sour - Ale • 9% ABV • Fort Collins, CO

Oak aged sour golden ale brewed with heavy additions of pear and peach puree resulting in a full bodied, pleasantly effervescent, refreshingly tart ale. The two fruits work in harmony, as aromas of peach pie and fresh pear swirl from the glass. The tart complexity of the sour golden marries with ripe fruit flavors that bust forth with every sip. Enjoy.

This is our classic bourbon barrel-aged barleywine - kicked up a notch. We took Mash, already oaky, sticky and sweet, and amplified its barrel character with the addition of fresh vanilla beans. This vanilla prominence is complemented by the woody bourbon flavors and coconut notes that are imparted to the beer as part of its extensive maturation in oak bourbon barrels. Mash & Vanilla is best enjoyed fresh to experience the vanilla flavors at peak strength.

Lagunitas The Waldos' Special Ale

IPA - Triple • 11.9% ABV • 100 IBU • Petaluma, CA

In 1971, the Waldos met one afternoon at 4:20 in the front courtyard of their school near the statue of Louis Pasteur. They set out in a '66 Impala armed with a "treasure map" on a journey to find a secret garden near Point Reyes. They met there at the same time every day and continued their quest. They never found the secret garden....But they keep lookin'. The dankest and hoppiest beer ever brewed at Lagunitas was made with help of the Waldos for all treasure hunters.

Revision Revision Double IPA

IPA - Imperial • 8% ABV • 75 IBU • Sparks, NV

There's a problem with this beer; it's most commonly available in 12 ounce cans, 16 ounce glasses, and 22 ounce bottles. Of course, if you're lucky you can snag it by the 64 ounce growler. Or even better, the 661 ounce keg or the 1,984 ounce keg. Now we're talkin'. Loads of late-hopping creates massive flavor. Simcoe and Mosaic hops battle for domination on the palate; you win.

Revision Revision IPA

IPA - American • 6.5% ABV • 50 IBU • Sparks, NV

Low impact bitterness, high impact aroma and flavor. Simcoe lays the hop foundation for this extremely delicious, flavorful and quaffable American India Pale Ale. Tropical citrus, orange and pine flavors meld seamlessly.

Stone Stone Old Guardian Barley Wine (2015)

Barleywine - American • 11.2% ABV • 80 IBU • Escondido, CA

Barley wines are traditionally hefty brews, but ours is downright excessive. The huge maltiness of this beer is only tamed by an equally prodigious addition of hops, creating a rich, slightly sweet, caramel-hued ale infused with assertive bitterness and bright hop notes, all culminating in a pleasing dryness. While it will evolve into an even more glorious brew with age, this beer's delicious onslaught of flavors will seriously challenge your ability to wait any longer to drink it.

ABK (Aktienbrauerei Kaufbeuren) Edel 'Spezialbier'

Lager - Dortmund • 5.8% ABV • Kaufbeuren

If you like a more malty beer with a lovely pillowy head, a deep gold colour and packed with malt, Edel is the one for you! A pale straw color with golden hints and a velvety white frothy head which reduces gently to some light lacing. To the nose, Edel is mostly hops mixed with a biscuit sweetness and a freshly baked bread aroma with a hint of some sweet apples and pears. On the tongue, you'll notice the slightly toasted malts and light floral hops which start with light biscuit malts, before a sweetness, to form a buttery bitter finish. Easily drinkable. Crisp and refreshing.

ABK (Aktienbrauerei Kaufbeuren) Hell 'Das Blaue'

Lager - Helles • 5% ABV • Kaufbeuren

This is a light, bright and very satisfying beer. Lightly golden with a bubbly, medium white head that steadily shrinks to a thin foamy lace, the aroma is soft and sweet with grain and very flowery hops. The taste is full bodied grain with lots of green apple and light but persistent hints of pine and herbs, with a light bitterness that persists through to the finish. Eminently satisfying.

Big Dog's Dog Gone Saison

Chaucer's Cellars Chaucer's Mead

Mead - Other • 11% ABV • 10 IBU • Soquel, CA

Produced utilizing fresh honey without the addition of artificial flavorings, concentrates or artificial colorings. Even though greater production difficulties occur because pure, raw honey is used for fermentations, the intensity of flavor generated through this technique is worth the effort. Exhibits a richness similar to a fine liqueur, this dessert-style beverage is not fortified, hence, it should be consumed shortly after purchase to enjoy its natural and rich honey flavor. Chaucer's Mead can be enjoyed in one of two ways, either chilled or heated with spices to create a delicious wintery drink. The honey is produced in hives throughout Northern California and is composed of a blend of three types; orange, alfalfa and sage. Each of these components brings a unique quality to the blend and contributes to the overall complexity. Orange adds a pungent orange blossom flavor and has light color. Alfalfa is neutral in flavor but yields a dark, amber color. Sage, on the other hand, has a mild taste and a light color.

Saint Archer Tusk & Grain Coconut Stout

Stout - Imperial • 11.54% ABV • San Diego, CA

For brewers, beer becomes our canvas and calls to us as artists, defining itself as we lay our liquid paintbrushes upon it. In this case, our imperial porter and imperial stout have spoken, and led us to create this beer. By boasting big notes of dark chocolate, roast, and caramel, there was only one ingredient that would complete the piece; toasted coconut. This beer will take you somewhere, and we hope you enjoy the journey.

Dark Ale • 11.1% ABV • 25 IBU • Las Vegas, NV

In 1958, the United States Air Force created a top-secret program designed to detonate a nuclear bomb on the Moon. That precarious effort, Project A119, is the inspiration for a beer in which we "reach for the moon". No traditional concept of beer is safe as we construct an Imperial Dark Ale steeped with grilled cocoa nibs, jalapeños, and a few top-secret ingredients. Some projects deservedly stay hidden for 45 years and some enjoy the light much sooner!

Avery Samael's Oak-Aged Ale (2016) (Batch 12)

Strong Ale - English • 16.3% ABV • Boulder, CO

Samaels is a super-caramelly, oak-aged English-style strong ale. Perhaps the least hoppy (sacrilege here at Avery!) beer we've brewed, to accentuate the malt. The oak is very apparent in this rich and high gravity ale, adding additional depth and complexity with a woody and cask-like nose and a pronounced vanilla flavor on the palate. With the addition of a more roasted malt in 2007, Samaels now delivers subtle bitterness to add balance to the natural sweetness. Cellarable for 10+ years.

More people are coming to believe that an ancient sea creature just may lurk in the depths of beautiful Lake Mead near Las Vegas. Now trapped behind Hoover Dam, some believe it traveled up the Colorado from the Sea of Cortez never to return. Some don't believe at all; but seeing is believing. Beware! Keep a sharp lookout for the Lake Mead Monster when enjoying a day of recreation at the lake.

Chicago Springfest Lager

Spiced • 5.2% ABV • Las Vegas, NV

The seasonal brew we prepared for Spring is a golden lager. To give this beer a unique twist, coriander spice and sweet orange peel were added to the kettle during the boil to provide a distinct flavor and refreshing taste. This beer was aged in its fermenter for six weeks to add increased smoothness. The Spring Fest Lager is medium bodied with a highly carbonated crisp dry finish. Pilsner, Munich, Vienna, and Crystal malts give the beer a wonderful malt profile. Serve the Springfest with an orange slice on the rim and encourage squeezing it into the beer. The fresh orange enhances the delicate citrus flavor that already exists in the glass.

Hauling oats is hard work. Donkeys are motivated by carrots. Here at Tenaya Creek we are motivated by beer. Especially when it has the subtle aroma of chocolate chip oatmeal cookies. It is easy to forget about the long journey ahead when a dark ale with a golden tan head is in hand. So drop the reins, pry open the lid and enjoy the rounded, smooth pull. Take a breath and savor the notes of semi-sweet chocolate and hearty oats. Your donkey deserves a reward for all its hard work - just don't share this treat! ABV: 5.7%

Boston Beer Samuel Adams Boston Lager

Lager - Vienna • 5% ABV • 30 IBU • Boston, MA

Samuel Adams Boston Lager® is the best example of the fundamental characteristics of a great beer, offering a full, rich flavor that is both balanced and complex. It is brewed using a decoction mash, a time consuming, traditional four vessel brewing process discarded by many contemporary brewers. This process brings forth a rich sweetness from the malt that makes it well worth the effort. Samuel Adams Boston Lager® also uses only the finest of ingredients including two row barley, as well as German Noble aroma hops. The exclusive use of two row barley not only imparts a full, smooth body but also gives the beer a wide spectrum of malt flavor ranging from slightly sweet to caramel to slightly roasted. The Noble hops varieties, Hallertau Mittelfruh and Tettnang Tettnanger, add a wide range of floral, piney and citrus notes, which are present from the aroma, through the flavor, to the lingering smooth finish. We take great pride in the Noble hops used in our beers. They are hand selected by Jim Koch and our other brewers from the world's oldest hops growing area. Among the world's most expensive, they cost twenty times as much as other hops.

Witbier • 4.8% ABV • 20 IBU • Milton, DE

A witbier bursting with good karma. Made with dried organic orange slices, fresh-cut lemongrass and a bit of coriander, this Belgian-style white beer is a great thirst quencher. Namaste White was originally brewed at our pub in Rehoboth Beach with our Italian friend Leo from Birra del Borgo. It was a tribute to our friends at 3 Fonteinen brewery in Belgium, who had devastating production loss (1/3 of their annual production) in 2009.

Dogfish Head SeaQuench Ale

Sour - Gose • 4.9% ABV • 10 IBU • Milton, DE

SeaQuench Ale is a session sour mash-up of a crisp Kolsch, a salty Gose, and a tart Berliner Weiss brewed in sequence with black limes, sour lime juice and sea salt to make this the most thirst-quenching beer Dogfish Head has ever brewed.

Einstök Ölgerð Icelandic Arctic Pale Ale

Pale Ale - English • 5.6% ABV • Akureyri, Norðurland

Brewed 60 miles south of the Arctic Circle, we balance three kinds of hops with pure Icelandic water to create an ale unlike any other. It can only be described as an Arctic Pale Ale and it's truly one of a kind. Cascade hops give it the American character, while Northern Brewer and Hallertau Tradition add just enough bitterness to make this Ale refreshingly Icelandic -- and make anything else pale in comparison.

Einstök Ölgerð Icelandic Toasted Porter

Porter - Baltic • 6% ABV • Akureyri, Norðurland

With clear notes of toffee and dark chocolate, this Porter is roasty and rich, offering a medium body that is robust, yet smooth on the palate. Toasted and chocolate malts give it a sinister black color, but its easy-to-drink taste will have you believing that there's no need to be afraid of the dark.

Einstök Ölgerð Icelandic Wee Heavy

Scotch Ale • 8% ABV • Akureyri, Norðurland

Viking history in Scotland goes back a thousand years. Even our brew master studied in Edinburgh, where he carefully surveyed the local brew. Now we return with an Icelandic Scotch Ale, brewed with locally farmed and smoked barley and spiced with native Icelandic Angelica – a fabled herb ancient Vikings used as currency. Surrender your taste buds. They have no choice but to be conquered.

Erdinger Weissbräu Erdinger Dunkel

Dunkelweizen • 5.3% ABV • 14 IBU • Erding, Bayern

Ausgesuchte dunkle Malze mit feinem Röstaroma machen ERDINGER Dunkel zu einem vollmundigen Genuss mit starkem Charakter. Edel und in tiefen Brauntönen glänzend füllt es das Glas. Beim ersten Schluck begeistert ein harmonischer Mehrklang von ausgesuchten dunklen Weizen- und Gerstenmalzen mit erstklassigem Hallertauer Aromahopfen. Karamellnoten, Anklänge an Nüsse und frisches Brot lassen sich erschmecken. Unverkennbar setzt die traditionelle ERDINGER-Hefe ihren obergärigen Akzent. Seinen Einstand hatte ERDINGER Dunkel 1989, als die ERDINGER Braumeister Werner Brombach, Inhaber der Privatbrauerei, zum Geburtstag ein dunkles Weißbier brauten. Der Beschenkte fand so großen Gefallen daran, dass er es 1990 auf den Markt brachte.

Erdinger Weissbräu Erdinger Weißbier / Hefe-Weizen

Hefeweizen • 5.3% ABV • Erding, Bayern

The Premium Weissbier at the top of its class. Not only in the context of the Erdinger assortment Erdinger Weissbier with fine yeast applies undisputed as the classical authors, as the white beer absolutely. It is brewed with fine yeast after a delivered prescription and naturally strictly after the Bavarian purity requirement. Today still without the traditional bottle fermentation one does not do here: Three to four weeks it lasts, until the Erdinger Weissbier with fine yeast matured. For the production only finest raw materials are used. Experience of many years and constant quality controls guarantee beyond that the unmistakable taste. A Weissbier for all, those the unforgettable good taste love.

Evil Twin Even More Jesus (2015)

Stout - American Imperial • 12% ABV • 75 IBU • Brooklyn, NY

A few times in the history of craft beer it has happened that a highly praised beer rises beyond mortal stardom into a higher godly league. Usually the recipe to make such heavenly drops is thick fudge-like body, pitch black color, amazingly overwhelming aromas of chocolate, coffee, dark fruits and muscovado sugar, obviously only made in limited amounts and most crucial of all - it must taste rare!

One of the Bavarian brewers actually enticed a brewer from the North to move to Bavaria where the style was popularized. Maibock is a great beer to accompany robust flavors. The rich flavor from the dark-roasted caramel malt complements the moderate level of bitterness to create a perfect balance.

Red Ale - American Amber • 6.8% ABV • 85 IBU • San Diego, CA

This beer is a blast wave of dankness. It's hella dank sauce. It's the stickiest of the icky. It's... Alright, I'm done. It's an amber loaded up with a crapload of Nelson hops, which are some of the fruitiest, dankest, most epically aromatic hops that sweet, sweet money can buy. Despite its amber hue, this is a fairly dry beer, but it still sports a lightly bready malt backbone that lets us pile on the diggity dankness. Put it in your face.

Mother Earth Boo Koo

IPA - American • 6.5% ABV • 58 IBU • Vista, CA

In a sea of offerings, our most popular IPA stands out as one of the finest examples of a West Coast-style beer: Bursting with flavor and aroma, finished dry, and most importantly hop-forward. This beer is teeming with fruit and pine notes, and its light gold to blonde color make it drink like a session beer.

Mother Earth Born Blonde

Blonde Ale • 4.8% ABV • Vista, CA

Mother Earth Cali' Creamin'

Cream Ale • 5% ABV • 20 IBU • Vista, CA

Our flagship offering is golden to pale in color, with low bitterness, medium body, and a white head. Our Cream Ale has redefined the category and made a classic style cool again. We use a bit of Madagascar Vanilla Bean to give it that “Cream Soda” kick. This beer finishes dry despite a subtle perceived sweetness from the Vanilla. Great any time of year.

Mother Earth Kismet IPA

IPA - American • 7.2% ABV • 70 IBU • Vista, CA

An aggressive assault of New Zealand Nelson Sauvignon hops. A pleasant grassy aroma is layered between pepper, mango, papaya, and grape must. With just enough caramel malt to add depth to color, the emphasis here is truly of the Southern Hemispherical variety.

North Coast Passionfruit-Peach Berliner Weisse

Sour - Berliner Weisse • 4.1% ABV • Fort Bragg, CA

Summer seasonal

North Coast Tart Cherry Berliner Weisse

Sour - Berliner Weisse • 4.1% ABV • Fort Bragg, CA

Michael Jackson describes “Berlin White Beer” as having an “insistent sparkle, a fragrant fruitiness in the nose, a sharp, dry palate, and a frisson of quenching, sour acidity in the finish.” North Coast Tart Cherry Berliner Weisse is made with the juice of Michigan Montmorency cherries, whose addition softens the lactic finish of the beer and gives it a springtime blush. This very limited release is available 22 oz bottles as well as in 1/6 barrel kegs.

Odell Drumroll APA

Pale Ale - American • 5.3% ABV • 40 IBU • Fort Collins, CO

Each year we select the rock-star hops of the harvest to craft this bold, juicy, tropcially hop-forward brew, drumming up a citrus inspired rhythm for what's to come.

Odell Rupture Fresh Grind Ale

IPA - American • 6% ABV • 36 IBU • Fort Collins, CO

Rupture was born out of our obsession with getting the most out of each and every hop. In fact, we built a machine in our brewery to incorporate a unique fresh grind process. By grinding the whole hop, we "rupture" the lupulin inside - releasing the oil that gives the beer its flavor. And what we grind that day, we use that day. Leaving you a beer that's fresh, aromatic, with an unparalleled bright, hoppy character.

Odell Wolf Picker

Pale Ale - American • 5.5% ABV • 41 IBU • Fort Collins, CO

Stone Stone Totalitarian Imperial Russian Stout

Stout - Russian Imperial • 10.6% ABV • 70 IBU • Escondido, CA

Built from the backbone of Stone's classic Imperial Russian Stout, Stone Totalitarian Imperial Russian Stout certainly celebrates the hallmarks of the style - it pours jet-black with a fluffy chocolate head and tastes of deeply dark fruit flavors with rich chocolate and coffee overtones. Yet, however old world in nature, this particular rendition of an IRS is flavored with new world hops, intensifying its berry flavors and aroma while subtly introducing a juicy melon undertone. The result is a spectacularly sinful delight. Don't say we didn't warn you, comrade.

Stone Stone Totalitarian Imperial Russian Stout

Stout - Russian Imperial • 10.6% ABV • 70 IBU • Escondido, CA

Built from the backbone of Stone's classic Imperial Russian Stout, Stone Totalitarian Imperial Russian Stout certainly celebrates the hallmarks of the style - it pours jet-black with a fluffy chocolate head and tastes of deeply dark fruit flavors with rich chocolate and coffee overtones. Yet, however old world in nature, this particular rendition of an IRS is flavored with new world hops, intensifying its berry flavors and aroma while subtly introducing a juicy melon undertone. The result is a spectacularly sinful delight. Don't say we didn't warn you, comrade.
